

TERMS & CONDITIONS

Kits Beach Coffee Makers Markets are for people in and around Kitsilano who already have a small successful brand or a unique side hustle. This community-led market is a place to connect and network with like-minded people and new customers in your community.

Our Makers Markets have been thoughtfully curated to create an inclusive, accessible, intimate, and inclusive experience.

As a settler-owned business, we recognize we are uninvited guests on these unceded ancestral lands and territories of the x^wməθk^wəyəm (Musqueam), Skwxwú7mesh (Squamish), and səliłwətał (Tsleil-Waututh) Nations.

It is with gratitude; we acknowledge our interdependence in this community known as Sən̓àʔq^w. We encourage, Indigenous artists, creators, and makers to register, showcase, and sell their unique crafts and wares.

Priority will be given to Indigenous artists and Indigenous Businesses and your vendor fee is waived.

The café will still be open to the public for takeaway to maximize walk-by exposure for our vendors.

All Makers Markets take at 1945 Cornwall Avenue.

Applications are selected on a rolling basis in the order received. Once you submit your application and your vendor fee is paid in full, you will be notified within 48 hours. If your application is not accepted, you will be refunded the full amount.

Considerations and What Are Vendors Responsible For?

- Think of this as a producer-only market and everything that you sell must be handmade by you. Items must be original and must not use mass-produced or stock imagery.
- Any illustrations or photos used must be your own original design. This includes up-cycling of materials and fabrics.
- No reselling is allowed.
- Vendors must stay for the duration of the market.
- All back-stock must be stored under the tables or stacked neatly out of the way. They may not infringe upon the walkways or neighboring booths.
- Vendors are responsible for keeping their space looking presentable during market hours and for cleaning up their space after the market closes, including removal of all garbage and recycling and sweeping up any debris.
- NO commercial (non-vendor) advertising is allowed outside of official event sponsorships.

- Makers Market and Kits Beach Coffee are not responsible for the loss or damage of exhibitors' wares, exhibits, or personal property or for injury caused by products sold or exhibited by exhibitors. Insurance for such loss, damages, or injury shall be the responsibility of each exhibitor.
- When pricing your products please consider these guidelines carefully before applying. It has been our experience that Makers with most of their product over \$75 price point may find it hard to sell their product and end up being disappointed as a result. We recommend 50% of your items priced under \$50. And highlight your select higher priced items.

We look forward to your application!
